All proceeds go to benefit Skill Centers of America College. Skill Centers of America provides educational scholarships for physically challenged and economically disadvantaged individuals in need of career and job skills training. Last year's tournament enabled SCOA College to provide educational and career training scholarships. Eligible students received free training in areas such as Computerized Accounting, Medical Office Administration, Hands-On Printing, Hands-On Retailing and General Office. Scholarships include free childcare services and job placement assistance.

Corporate sponsorships are available, and will provide your company with national recognition through tournament advertisements and promotions, including banner advertisement on the tournament web site. Call Skill Centers of America for more information about Corporate Sponsorships, Golf Registrations and Party Tickets. Please contact the Tournament Director.
